Atten. Mr. Chas. T. Godwin

Gentlemen:-

We are returning attached your invoice for $711.98, covering 20% of the cost of two prints of "Love Flower"; and 100% of the cost of two prints of "Broken Blossoms," shipped to Mexico, as it is our understanding that the cost of these prints is to be borne by your Company. This question was taken up with Mr. Epping while he was in our office yesterday afternoon; and he now agrees that those were the arrangements.

Also, regarding your bills of December 5th and 13th, covering replacements on "Broken Blossoms," "Romance,""Love Flower" and"Dream Street," these we are returning, as we think you should have billed the full 100% for the "Broken Blossoms" and "Romance" replacements.

Dear Sirs:

Referring to our previous letters to you relative to your account, we are pleased to inform you that the formation of the Syndicate to take over this Company has been completed, and arrangements made for the settlement of your account in full.

A first payment will be made you on or before November first, a second payment on December first, and the entire amount will be paid in full before January 3rd.

Unusual "money conditions" have delayed this matter much longer than we had thought possible. We appreciate your cooperation in the past and trust that the above plan of settlement, which is the best the writer could accomplish, will be satisfactory.

Very truly yours,

FOR TALKING MOTION PICTURES, Inc.

Dear Mr. Godune:-

In answer to your letter of March 21st. We are at a loss to understand why you did not receive our letter of March 12th with check.

We attach copy of letter to Mr. George T. Porter, general manager of the Fitzpatrick-McElroy Circuit, whose check is concerned, which is self explanatory.

Just as soon as we hear from Mr. Porter will advise.

As both our letters of March 12th and 18th advised you that the check was not an Associated First National picture check, but a personal check payable to Harry Scott and in turn endorsed by me, assume that at your end you have not posted same to the wrong account if received.

Yours very truly,

Mr. G. T. Porter,

Dear George:-

About March 9th or 10th you mailed us a check for $153.75 in payment of reels 1, 2, 3 and 4, "The Idol Dancer" destroyed at the Lyric Theatre, Cadillac.

Your bookkeeper made this check payable to me, so I in turn endorsed it, making it payable to the D. W. Griffith Company and mailed the check to them together with a letter on March 12th. The stenographer who wrote the letter says that she recalls very distinctly writing it after the usual closing time on Saturday and that she attached the check with a gem clip and personally dropped the letter in the mail box and according to carbon copy of letter on hand, the envelope was properly addressed, at least it has never been returned to this exchange.

Under date of March 21st, Charles T. Godune, auditor of the Griffith Company, advises us that he never received the letter or check.

Since eleven days have passed since it was mailed by us, ask that you ascertain at your bank whether check was returned for payment. If so, please let us have cancelled check. If not, suggest you stop payment on the check and send us a new check for $153.75, payable to D. W. Griffith, Incorporated, and we will forward same to Mr. Godune.

Regretting the necessity of troubling you again about this matter and thanking you in advance to take care of it, with kind regards,

Yours very truly,

Dear Sir:

In reply to your favor of the 18th inst. in which you advised us that you had mailed us a remittance under the date of March 12th covering replacements of "The Idol Dancer" in the amount of $153.75, we wish to advise you that to the time of this writing, we had not received your check.

Apparently this check has gone astray in the mails. However, we shall gladly carry this account in abeyance for a few more days and hope that the check may arrive on a late delivery, at the end of which time, we will write you again requesting that you send us a duplicate of the check and stop payment on the original check. You may expect to hear from us within the next three or four days.

Thanking you for your prompt answer to our letter of the 16th inst., we remain

Gentlemen:-

We are rather surprised to receive your letter of March 16th calling to our attention an invoice of $153.75 which you state is past due and demanding immediate payment.

On March 12th we wrote you as follows: -

"Enclosed please find check amounting to $153.75 endorsed to your order by Harry Scott to cover replacements on "The Idol Dancer" as per your letter of March 2nd.

Kindly acknowledge receipt of same and greatly oblige.

As this letter with check attached was mailed on March 12th, you doubtless received same on March 14th, that is why we are unable to understand why you should write us on March 16th dunning us for the amount when you should have received the check two days previous.

Thanking you to look into this matter and let us hear from you, with kind regards,

Mr. S. Shernow,
Associated First Nat'l Pic. Corp.
6 W. 48th St.
New York, N.Y.

Dear Mr. Shernow:-

On April 4th we shipped to your exchange at Charlotte N.C. One print of "THE IDOL DANCER" which shipment went C.O.D. with charges amounting to $260.81. At your request on April 7th we wired the Express Company at Charlotte to release the C.O.D. charges and at the same time we sent you a copy of the bill, which you stated you would see was promptly paid. As yet this item remains unpaid on our books. It is covered by your requisition No. 16514.

In addition to the above on Feb. 24th we shipped two trailers on the "IDOL DANCER" to your exchange at #93 Queen Street, Toronto on your requisition No 11159. This shipment was made on an open account amount of which was $12.27 copy of which was sent to your office. This bill was not paid, and on March 16th our auditor addressed a letter to your branch, calling their attention to the item, which was replied to on April 6th, referring us to the Messrs. Brouse and Stapleton at your office in the Imperial Theatre Building, Ottawa Ontario, This small item remains unpaid at the present time.

Also on March 11th we shipped a print of the "IDOL DANCER" to the First National Pictures Corp., at Louisville Ky. This went on an open account, the amount of bill being $260.81. The bill was not paid promptly and on March 28th your attention was called by our auditor in which he quoted the letter from the Louisville secretary Mr. Lee L. Goldberg, stating that the bill would be paid at your office. This bill also remains unpaid at present.

Will you kindly look these matters up and hasten payment on them. The shipments were made sometime ago. The one to Canada being made on Feb. 24th, the one to Louisville on March 11th and the one to Charlotte N.C. on April 4th.

As you know, at 3½ c per foot, there is scarcely any profit at all for us, we merely do a lot of work and then get our money back if the bill is paid, which means more or less a hardship to us, in case the bills are not paid promptly,

Yours very truly,

D. W. GRIFFITH Incorporated.
